Address: Bekobod, Toshkent , Uzbekistan

PROFESSIONAL EXPERIENCE

IT Park 06.2024–09.2024

Frontend Support Mentor

- Assisted students in learning HTML, CSS, JavaScript, and React.js.
- Reviewed and debugged students' code, providing constructive feedback.
- Helped with real-world projects and guided students in best coding practices.
- Conducted coding sessions and hands-on workshops.
- Supported lead instructors in delivering lessons and managing coursework.
- Guided students on Git, GitHub, and version control for project collaboration.

EDUCATION

PDP University 2022 – 2026

Bachelor's Degree in Artificial Intelligence Engineering

- Gained knowledge in Machine Learning, Deep Learning, and Data Science.
- Worked with Python, TensorFlow, PyTorch, and AI algorithms.
- Developed AI models and worked on real-world projects.

PDP Academy 2023 – 2024

Frontend Development

- Learned HTML, CSS (Sass, Tailwind), JavaScript, and React.js.
- Built responsive and interactive web applications.
- Worked with Figma for UI/UX implementation and Git/GitHub for version control.
- Developed real-world projects to strengthen frontend development skills.

SKILLS

HTML5   **CSS**   **Sass/Scss**   **Bootsrapt5**   **Tailwind**   **JavaScript**   **React JS**

Next JS   **Tensorflow js**
